

New York City VOAD Volunteer Management and Construction Committee

Housing Recovery Resource Guide

Based on individual reporting, the following voluntary agencies plan to provide more than 1,020 rebuild services in New York City in 2014. The vast majority of organizations are working in only one borough with a breakdown of 260 services in Brooklyn, 550 in Staten Island, and 310 in Queens. A list of agencies providing rebuild support including materials and volunteers follows this list. To add, change, or update information, please email Maureen Medina, World Cares Center VOAD Liaison VISTA at mmedina@worldcares.org.
